講座紹介

○学習目標

Students will be able to naturally talk a wide variety of everyday topics.

○講座の内容

Each week students will learn vocabulary, phrases and grammar patterns centred around a specific topic. Typically we will do conversation practice in pairs or small groups followed by feedback sessions with the whole class. There will also be occasional special classes based on foreign culture, events etc.

○教材

No textbook.

Each week we will use an original handout, though we may occasionally look at materials from the internet etc.

講座紹介

○学習目標

The objective of this class is to improve the conversational skills of students and prepare them to interact with English speakers in a natural and dynamic way. Some activities will require reading and writing, but special attention will be paid to developing the ability to navigate the kind of conversations that students may encounter in real life.

○講座の内容

The content introduced in the class will consist mainly of semi-planned conversations that will allow students to practice their spoken English in creative ways, while also working within a framework that will help them build the confidence and help needed to improve their communication skills.

○教材

No Textbook.

Scripts and vocabulary sheets will be provided to all students.

講座紹介

○学習目標

Students will use a variety of resources in order to improve listening, writing and speaking ability. They will be able to engage in discussions about a variety of topics, and also prepare and perform speeches. Students are encouraged to ask questions about grammar points and vocabulary they do not understand so that we can discuss them as a class.

○講座の内容

In this class we use a variety of content ranging from news articles to movie clips. Grammar points and new vocabulary often come up in our activities and so we discuss these as they come up.

○教材

No text book.

Each week I prepare presentations including music, videos etc. and prepare worksheets for the students to practice their written English.
