

# かがわ国際フェスタ2010

in classrooms 1 on the 2<sup>nd</sup> floor  
"Let's try together!" area  
Schedule

# Let's try together!

10:00~

セヒョンと作る韓国うちわ

**Make a Korean-style Uchiwa Fan  
with Sehyon!**

Make an original Korean-style uchiwa fan of your very own by painting it with Korean-esque colors!  
You will really enjoy this fun challenge!

11:30~

アメリカのトランプゲーム

**Enjoy a Fun American Card Game!**

Try your hand at the exciting card game called "Speed", which is very popular in the United States!

13:00~

中国の切絵

**Enjoy the Challenge of Paper-Cutting!  
"喜喜"**

The character above, called "xi", means "to be blessed with double happiness". It is cut from red paper and used during the celebration of weddings. Let's make this fun character together through the art of paper-cutting!

14:30~

アメリカの風車

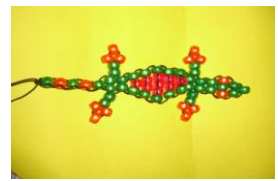

**Make American Flag Pinwheels!**

Let's make pinwheels with "stars and stripes" - they are beautiful when you spin them!  
If the weather is nice, we can go spin them in Chuo Park!

Morning

エリンと作る  
BIG ビーズの動物

**Make Big-Bead Animals  
with Erin!**

We will use thread and big beads to make fun animals, like doves and lizards! Have fun making your original creation with Erin from the United States.

Afternoon

タマラと作る  
ジャマイカ工作

**Make Jamaican Crafts  
with Tamara!**

Jamaican children often create fun toy trucks like these, which we will be making out of milk cartons. Have fun coloring your favorite patterns.
