講座紹介

○学習目標

Students will use a variety of resources in order to improve listening, writing and speaking ability. They will be able to engage in discussions about a variety of topics, and also regularly prepare and perform speeches. Students are encouraged to ask questions about grammar points and vocabulary they do not understand so that we can discuss them as a class.

○講座の内容

In this class we use a variety of content ranging from news articles to YouTube videos. I will also try to include fun activities and games where possible. Grammar points and new vocabulary often come up in our reading/activities and so we discuss these as they come up.

○教材

No text book.

Each week I prepare presentations on the topic of that week. These presentations also sometimes including music, videos etc. I also prepare worksheets for the students to practice their written English/to facilitate discussion.
