# I-PAL Japanese Language Courses

Let's learn practical Japanese for daily life together with experienced, professional Japanese language teachers!

Please feel free to come and observe a class!

From Beginners 1 to Japanese 3, you can learn basic-level Japanese over approximately two and a half years.

After studying up to Japanese 3, you will be ready to take the Japanese-Language Proficiency Test (JLPT) N4.

If you have studied Japanese before, even a little, you will take a level check test first.
